Tis the season to be jolly ... and to prove how good we are!

As the 1998 calendar year comes to a close, it is worth examining what has so far been an eventful second season of life for the Carlton Soccer Club.

When Round 5 came and went with Carlton suffering a 2-1 loss at the hands of Sydney United, things were looking bleak.

Carlton had suffered three consecutive losses after opening with two big wins (4-0 over Wollongong and 4-1 against Adelaide City) it was time for the knives to be sharpened and the prophets of doom were ready to condemn Carlton as victims of the dreaded 'second year blues'.

Since November 15 however Carlton has been unbeatable, recording four victories (one away) and two away draws. More importantly, in 11 matches so far this season Carlton has conceded 11 goals - four of which came against South Melbourne in that classic 4-4 battle at Bob Jane Stadium!

And what about the talk that the loss of a certain striker would restrict our goalscoring potency. Well, 26 goals after 11 rounds compared to 14 at the same time last year certainly negates any talk of Carlton's lack of punch up front, thanks to Messrs. Tricarico (5 goals) and Moreira (6).

Today's clash against Sydney Olympic will be a big test for Carlton, especially with the Sydney-siders coming off a 3-1 home win over top-of-the-table Perth Glory.

Under the direction of Branko Culina and Frank Arok, the Olympic side is in good form, making for a great clash this afternoon.

Don't forget that the next home match for Carlton is Sunday January 17 against cross-town rivals Melbourne Knights. It promises to be a huge contest and we expect a large crowd so make sure you give yourself plenty of time to get to the match.

With the end of 1998 only days away, we would like to wish all Carlton Soccer Club fans, players, officials and their respective families a Happy & Safe New Year. We look forward to seeing you at the games in 1999.

The Coach

enjoyed a good run of recent weeks and I am d with the progress of the side.

oreso pleased with the e bench, being able to the absence of Simon d Mark Atkinson. And i has taken his chance it, conceding only one matches and making it on Dean to reclaim the goalkeeping position.

ward to a entertaining y with both sides play- ccer. Olympic will push win at home is a must with a number of teams ng for a top six position

Last week: 3-1 home win over Perth Glory

Sydney Olympic, no matter where they are on the table, are always difficult propositions. In fact last season they were the only side to defeat Carlton both home and away. Today will be another tough assignment, with experienced former Soccerroo players Mehmet Durakovic, Chris Kalantzis and Milan Blagojevic adding plenty of experience to the Olympic side.

The Captain

What a way to return to the action! I was very pleased to get back into the side and play a part in the tremendous 2-0 win over Marconi on their own turf.

The boys played really well and it was a high standard match which showed that both sides are championship material.

Joe's goal was a classic example of finishing and what can I say about Marco other than this kid is all class.

Everyone played an important role, with Adrian outstanding in goal whilst Sterg was great in marking Brad Maloney out of the game.

Today's clash will be tough because Olympic are a class side with some great players led by Brett Emerton. It won't be easy for us but our form of late will see Carlton record another home win today.

The Carlton Academy produced a fine performance on Sunday when it recorded a 0-0 draw away to 2nd placed South Melbourne.

Today the Academy takes on Gippsland Falcons in a crucial encounter, with the three points on offer vitally important for the Academy's chances of keeping up with the top two teams (VIS and South Melbourne).
